REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT

The Determination of Patent Term Adjustment under 35 U.S.C. § 154(b) shown on the face of the above-captioned patent appears to be in error. Patentees, to comply with the duty of candor and good faith to the Office, believe the calculation of the patent term adjustment period is, in fact, less than that calculated by the Office. Patentees, therefore, respectfully request that the Office recalculate the patent term adjustment and, if appropriate, issue a Certificate of Correction.

If there are any charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,

Date: 12 November 2010
